

Admissions Open

MBBS Plus

Revolutionizing
medical
education with
skills of the
future

Shalamar Medical & Dental College (SMDC) in partnership with LUMS is offering a unique and innovative MBBS program.

STUDENTS CAN CHOOSE FROM ONE OF THE TWO TRACKS:

1. A six-year MBBS program with the first year of studies at LUMS (1+5 Program)
 2. A five-year MBBS program with the opportunity to take elective courses at LUMS during summer term
- Opportunity to take Molecular Biology, Molecular Genetics, Cell Biology, Biochemistry, and Molecular Biology Laboratory courses at LUMS
 - Opportunity to take courses on artificial intelligence, entrepreneurship, information systems, and several other areas, through elective courses at LUMS
